5 DAYS	341	409	750
4 DAYS	272	328	600
3 DAYS	204	246	450
2 DAYS	136	164	300

Q & A

- 1. If I drop a session or a day, will my child be allowed to enter the program when or if our school continues a normal schedule?**

No, we have parents on the waiting list. If you drop a session or a day, we will ask the next parent on the list if they would like for their child to be in the program. However, if we do have room in the program, we will allow your child back into the Comet Care.

- 2. If the school district ends up going virtual, will Comet Care still be opened for the parents.**

Yes, at this time Comet Care will remain opened for the parents. It will only close if the state shuts down all daycare/before/after school programs.

- 3. Will Comet Care be able to have more than 10 children in a classroom?**

Yes, we will add more children if the state changes their regulations by allowing more children in the classroom.

- 4. If the school day reverts to the originally school schedule, will Comet Care go back to their original schedule/tuition?**

Yes, Comet Care will return to their original schedule and tuition if the school does too.
